In connection with the Offer, Morgan Stanley (the "Stabilisation Manager"), or any of its agents, may (but will be under no obligation to), to the extent permitted by applicable law, over-allot shares or effect other transactions with a view to supporting the market price of the shares at a higher level than that which might otherwise prevail in the open market. Morgan Stanley is not required to enter into such transactions and such transactions may be effected on any securities market, over-the-counter market, stock exchange or otherwise and may be undertaken at any time during the period commencing on the date of the commencement of conditional dealings in the shares on the London Stock Exchange and ending no later than 30 calendar days thereafter. However, there will be no obligation on Morgan Stanley or any of its agents to effect stabilising transactions and there is no assurance that stabilising transactions will be undertaken. Such stabilising measures, if commenced, may be discontinued at any time without prior notice. In no event will measures be taken to stabilise the market price of the shares above the offer price. Save as required by law or regulation, neither Morgan Stanley nor any of its agents intends to disclose the extent of any over-allotments made and/or stabilisation transactions conducted in relation to the Offer.

In connection with the Offer, the Stabilisation Manager may, for stabilisation purposes, over-allot shares up to a maximum of 15 per cent. of the total number of shares comprised in the Offer (before exercise of the over-allotment arrangements). For the purposes of allowing it to cover short positions resulting from any such over-allotments and/or from sales of shares effected by it during the stabilisation period, the Stabilisation Manager will enter into over-allotment arrangements pursuant to which the Stabilisation Manager may purchase or procure purchasers for additional shares up to a maximum of 15 per cent. of the total number of shares comprised in the Offer (before exercise of such over-allotment arrangements) (the "Over-allotment Shares") at the offer price. The over-allotment arrangements will be exercisable in whole or in part, upon notice by the Stabilisation Manager, for 30 calendar days after the commencement of conditional dealings in the shares on the London Stock Exchange. Any Over-allotment Shares sold by the Stabilisation Manager will be sold on the same terms and conditions as the Shares being sold in the Offer and will form a single class for all purposes with the other shares.
